Family Engagement

GRACE schools work together in many ways to make Catholic education affordable. Each school establishes engagement opportunities and participation requirements for families as part of their commitment to their child/ren's education.

Family/parental engagement and participation is a shared responsibility in which

- our GRACE schools are committed to reach out and engage family/parents in meaningful ways; and
- families/parents are committed to being active participants in the school community and support their children's spiritual and academic growth.

Family engagement, in almost any form, creates better outcomes for students and builds community invested in the well-being of our schools, students, and families.

- Expectations are per family, per school. If selected, a buyout fee per category is per family and only one buyout fee per category will be added to the family's tuition and fees payment plan.
- Families with children enrolled in both preschool and K-12 grades are to follow the school's expectations for grades K-12.
