**Holy Cross Parish and GRACE Schools Announce
Holy Cross Catholic School Relocation to New Campus for Fall**

Green Bay, WI – Holy Cross Parish and Green Bay Area Catholic Education (GRACE) are pleased to announce that GRACE Holy Cross Catholic School will be relocating to a new campus at 3994 Wequiock Road, Green Bay, WI 54311.

Located just a few miles down the road from its current site, the move reflects our ongoing commitment to strengthening Catholic education while positioning Holy Cross Catholic School for continued growth, expanded programming, and long-term vitality. This move offers improved classroom environments, increased flexibility for programming, and space to foster deeper collaboration among students, faculty, and families. While its close proximity ensures continuity for Holy Cross Parish and current school families, it also creates new possibilities for innovation and development for our PK to 8th grade school.

This significant undertaking was made possible by the generosity of Holy Cross Parish and an anonymous benefactor. Reflecting on the spiritual mission behind the move, Abbot Gary Neville noted, "Holy Cross school has been a leader in excellent Catholic education since 1868. The relocation to Wequiock Road will allow us to carry on that legacy in an updated and enhanced educational environment."

"We are guided by our faith and strengthened by our entire community," states GRACE Holy Cross Catholic School principal, Kari Peterson. "This foundation allows us to move forward with confidence, knowing that Holy Cross Catholic School will remain a nurturing environment where students continue to learn, grow, and thrive for generations to come."

GRACE Holy Cross Catholic School will open on the first day of school this fall, August 26, 2026. Families will be receiving additional information regarding transition details, open house opportunities and fall start up information. For continued move updates, please follow GRACE Holy Cross Catholic School on Facebook (www.facebook.com/HolyCrossFamily) or call the current school office.
